This technical diagram illustrates the exploded view of a vehicle wheel assembly. The central component is the wheel rim (1). Surrounding it are various parts including: a hub assembly (15, 16) with a central nut (18) and washer (19); a set of bearings (17) and a hub (20); a brake drum (5) with a brake shoe (13, 14) and a return spring (4); a brake caliper (11, 12) with a piston (7) and a seal (8); and a set of bolts (2, 3, 6, 9, 10) used for securing the assembly. The diagram uses dashed lines to show the alignment and assembly sequence of the components.
